- GPS ON THE TRAIL**
- Our map and trails are now marked with GPS coordinates at trail intersections and other important locations. This helps First Responders and snowmobilers navigate our trails.
 - On your hand held GPS you can select NAD83 and UTM (MGRS on older units) coordinates in your menu under GPS setup.
 - UM denotes locations in and south of Park Rapids.
 - UN denotes locations north of Park Rapids.
 - First 3 digits indicate "Easting" (look on the top and bottom of map for scale)
 - Second 3 digits indicate "Northing" (look on the sides of the map for scale)
